CUSHIONS AND UPHOLSTERY SERVICES

REVERSIBLE PEW CUSHIONS

Reversible style cushions are our most popular model cushion for its versatility. Flip them over and rotate around the church to add to their life span.

2 inches thick, high density foam. Welt cord edges and tufted buttons.

ADD FIXED CUSHIONS TO WOOD PEWS

A great alternate to pew refinishing. We can add fixed seat or back cushions, or both to almost any wood pews. Add comfort and cover damaged wood sections.

RE-UPHOLSTERY OF EXISTING CUSHION

Factory installed cushions will eventually wear out. Our team can come to your site and re-cover seat and back cushions.
